

Selling Broker Quick Reference Guide for 2S - Revised 3-3-11

The following steps must be completed in order for a Selling Broker/Agent to place a bid on a HUD Home:

1. The principal broker must register for and receive a NAID. Please visit the [NAID Registration page](#) on www.HUDHomestore.com for information to complete this process.
2. The principal broker must [register as a Bidder](#) on www.HUDHomestore.com. Please [click here to see a short video on registering as a Principal Broker with a NAID](#).
3. The selling agent (if not the same as the principal broker) must then register as a Bidder on www.HUDHomestore.com. Please [click here to see a short video on registering as a Selling Agent or Associate Broker](#).
4. Find a HUD Home your buyer wishes to purchase by visiting www.HUDHomestore.com. Please visit this site frequently for the latest HUD inventory. **We list properties daily**, not weekly. New listings may appear **Monday – Saturday** by 1:00 am.
5. Complete the appropriate sales contract package for your buyer, utilizing the Sales Package Verification Checklist on page 3 of this Quick Reference Guide. Please use **BLUE ink** to complete the sales contract package. Please ensure your buyer has obtained a valid pre-qualification letter or proof of funds **prior to submitting a bid**.
6. When the contract has been completed, click the “Submit an Offer” button on the lower right corner of the Property Details screen on www.HUDHomestore.com. Enter the requested NAID/license information and click “Verify NAID” to get to the Bid Submission page. Answer the questions according to the completed contract package to complete the form and click “Continue.” Review the Bid Summary page, accept the terms & conditions and click “Confirm This Bid” to submit. Retain the confirmation number to log back in and track the status of the bid.

Financing Types:

IN (Insurable) – these properties qualify for FHA 203(b) financing and have no obvious Minimum Property Standard (MPS) repairs. These properties may also qualify for 203(k) financing, a rehabilitation loan for owner occupants only.

IE (Insurable with Escrow) – these properties qualify for FHA 203(b) with Repair Escrow, and have MPS repairs totaling less than \$5,000. The repair escrow is the buyer’s financial responsibility, never a credit to the buyer. The lender holds the repair escrow money until completed (which must be within 90 days after closing) and is responsible for disbursing the funds to the appropriate parties. The escrow repair amount only applies to FHA 203(b) financing. These properties may also qualify for 203(k) financing.

UI (Uninsurable) – these properties do not qualify for FHA 203(b) financing. Typically these properties have MPS repairs exceeding \$5,000 or may not meet other guidelines for FHA financing.

UK (Uninsurable, 203k Eligible) – these properties do not qualify for FHA 203(b) financing, but may qualify for 203(k) financing.

Property Availability and Bid Deadlines:

Properties listed as **IN** and **IE** are available exclusively for owner occupant, nonprofit and government agency bidders for the first 30 days on the market. Please note **the initial bid review is on the 11th day** of listing. All bids received during the first 10 days are opened and reviewed simultaneously. If no acceptable offers are received, bids are reviewed daily (Mon. – Fri.) until the exclusive 30 day owner occupant period expires. Properties are then available for all bidders, with bids reviewed daily (Mon. – Fri.).

Properties listed as **UI** or **UK** (and some IN or IE properties located in HUD-designated revitalization areas) are first placed into the Lottery program for nonprofits and government agencies or for Good Neighbor Next Door participants. If no acceptable bids are received after 7 days in the Lottery program, these UI and UK properties enter a 5 day owner occupant exclusive listing period, with all **bids** received during this period opened and **reviewed** simultaneously **on the 6th day**. If no acceptable bids are received, the properties are then available for all bidders, with bids reviewed daily (Mon. – Fri.).

Please note that **properties are removed from the HUDHomestore website at midnight the day of bid acceptance**. It is vital that you download the LBP addendum, sales contract package and any other disclosure forms prior to submitting a bid as it is no longer available after a bid has been accepted.

Winning bid notification will typically be sent within 24-48 hours of bid deadline. Daily bid result postings may be forthcoming on the HUDHomestore website. If your bid is accepted, the sales package must be received at the appropriate BLB Resources office within **2 business days** of bid acceptance. The package may be hand delivered or sent in through OVERNIGHT mail or delivery service to assure timely delivery.

Please send sales packages for

AZ, NV, ID, CA, OR, WA, AK, HI, Guam, N. Mariana Islands and American Samoa to:

BLB Resources

16845 Von Karman Avenue, Suite 100

Irvine, CA 92606

Phone: (800) 960-2526

Extended hours: Monday – Friday 7:00 am – 6:00 pm PST (except Federal Holidays)

Earnest Money Deposits must be certified funds (i.e. cashier's check or U.S. Postal Money Order), made payable to BOTH Payees "**HUD OR (insert actual buyer's name)**." Please note that no Money Gram or Western Union money orders will be accepted. The original EMD (**NOT** a copy of the check) must be included with the contract package received by BLB Resources within 2 business days of bid acceptance. The amount of EMD required is determined by the sales price as follows:

- For properties with a sales price of \$50,000 or less, the EMD is \$500
- For properties with a sales price of \$50,001 or more, the EMD is \$1,000
- For vacant lots, the EMD is 50% of the list price

Overbidding information: Please note that if a buyer is securing FHA financing, their lender will be required to use HUD's FHA "AS-IS" Appraisal. A second appraisal **may not** be ordered simply to support a higher purchase price. In the event the appraisal is over 4 months old at the time of contract acceptance, the buyer will be required to obtain a new FHA "AS-IS" appraisal at the buyer's expense. If a buyer's bid is accepted and their bid amount is in excess of the HUD appraised value, **the purchaser must pay the difference between bid amount and appraised value in cash**, because FHA will not approve a loan amount that is greater than the appraised value of the property. If a buyer is securing a loan that does not involve FHA financing, then the buyer's lender will always order a new appraisal on the property at the buyer's expense regardless of whether they overbid the property.
